W. G. McCUBBIN SHORTHORN DISPERSION SALE

SATURDAY, FEBRUARY 18th, 1967

The day following the Omaha Shorthorn Sale

SALE BARN — LINCOLN, NEBRASKA

100 HEAD TO SELL

GENERAL INFORMATION

TIME—Saturday, February 18. Sale will start at 11:00 a.m.

LOCATION—The sale will be held at the Nebraska Livestock Sales, Lincoln, Nebraska. Go on West O street to the Congress Inn Motel, turn south and go one-quarter mile, over the viaduct, and then turn right.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor and the sale manager is notified of the arrangements. GUARANTEE—All cattle will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneer, clerk, and sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability, legal or otherwise, for the buying contract or for any accident. Every effort will be provided for the comfort and safety of those attending this sale, but sellers cannot accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Statements from the block will take precedence over information in the catalog.

HOTEL AND MOTEL RESERVATIONS—There are a large number of good motels and hotels in Lincoln. We have designated the Congress Inn Motel, 1901 West O, as the sale headquarters (phone AC 402 477-4488). We will be happy to make reservations for you.

W. G. "Mac" and Dan McCubbin receive the outstanding Shorthorn Breeders Award, given by the Nebraska Stockgrowers Ass'n. McCubbins have been leaders in the Nebraska Shorthorn promotion and have been consistent consignors of champions at state, regional and national shows and sales.

To My Shorthorn Friends . . .

DM Shorthorns, Inc., has been legally dissolved and a pressing need for ready cash necessitates selling my interest in our cattle. Dan plans to remain in the Shorthorn business.

With the help of Bill Stunkel and other friends, we have divided the cows as equitably as possible. Dan is keeping a goodly share of Pacemaker 12th heifers, but you will have an opportunity to buy their dams in this sale. He is also keeping a few of the old "gran-nies" and some where he has only one left of a cow family. Even though this is a dispersion of my interest in the herd, these cows are selling under the Standard Guarantee endorsed by the American Shorthorn Association.

Our herd has been a real working unit with a 92 percent calf crop in 1966. These cows will sell in just ordinary breeding condition and will very likely run on corn stalks right up to sale time. Only in dispersions will you find females of this calibre offered. Cows with outstanding pedigrees, show records and production records can be found throughout this offering. You can buy these cattle with confidence. They will do well for you.

"Mac" McCubbin.

A set of young bulls at McCubbins. Even from a distance the camera shows why DM Shorthorns, Inc., have been so successful at leading shows and sales.

As I work on this catalog I am full of conflicting thoughts and emotions.

I am remembering the pleasure of seeing the McCubbins add strength to their breeding unit through judicious foundation purchases at leading sales . . . the excitement of seeing their productions win at Ak-Sar-Ben, Nebraska State Fair and the Nebraska Futurity . . . the pride of having folks like the McCubbins in the Shorthorn business . . . the empty feeling that comes when a dispersion was announced.

It is unfortunate that Mac finds it necessary to disperse. Most of us have had our financial problems and can understand them. Mac is like a man sitting in the middle of an ocean without a drink of water. While he has won his legal battle for a settlement of his ownership in a major Omaha dairy, the implementation of this settlement will take time. So, it is only reasonable that he should seek needed finances from his Shorthorns.

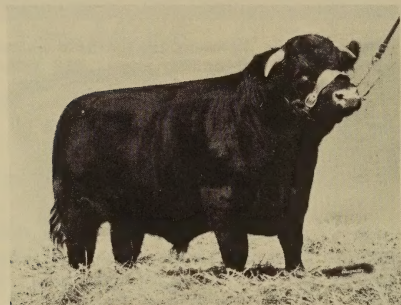

This dispersion will create boundless buying opportunities for others. I have seldom been associated in the sale of a more productive herd, nor one whose winnings so eloquently express its quality.

I hope you will be on hand sale day. You will be helping yourselves and will be giving encouragement to a family that has been, and we predict will continue to be, mighty good for the Shorthorn breed.

BILL STUNKEL
Sale Manager

DM AMBITION 7th, 1958 Nebraska State Fair grand champion. Used successfully in the Glen Ahrendsen herd, Manning, Iowa.

DM BONANZA'S LEADER, 1964 Nebraska State Fair grand champion. Siring an excellent set of calves for Dr. Norman Kruse & Sons, Pawnee Shorthorns, Genoa, Nebr.

DM BONANZA 2nd, 1964 Omaha Sale reserve champion, purchased at \$1,650 by Rosa Thorne, Lancaster, Kans.

McCubbin Bulls Do Well For Others . . .

While there are no bulls in this sale, we would like to indicate that the cows selling have produced many outstanding sires in recent years. In addition to the bulls pictured, some of the more outstanding McCubbin productions have been

DM Napoleon's Basis—1962 Nebraska State Fair grand champion. Now in service for Bill Otley, Lincoln, Nebr. Considered the best herd bull seen on the 1966 Nebraska-Shorthorn-Polled Shorthorn tour.

DM Napoleon's Dynamic—Reserve grand champion 1966 Iowa State Fair and senior champion at the 1966 Nebraska State Fair for Glen Struve, Manning, Iowa.

DM Pacemaker's Juggler—1965 Nebraska grand champion and member of McCubbins' first-prize groups. Purchased for \$1,100 by Wayne Lee, Hennessey, Oklahoma.

DM Pacemaker's Tuscan—Reserve junior champion, 1964 Nebraska State Fair. Now in service in the Elton Miller herd, noted club calf producer, Alta, Iowa.

There have been many other bulls that have sold into up-and-coming herds in the past years as well as many good females. The McCubbins have never had one word of complaint on their performance.

Seen above and on the cover of this catalog are our winning junior get at the 1966 Iowa and Nebraska state fairs by S & T Pacemaker 12th, International supreme champion whose progeny and service feature this dispersion.

SOME PERTINENT FACTS . . .

- ★ The DM Shorthorn herd is a **producing herd**. In 1966 we had a 92 percent calf crop. Many of these calves and our 1965 productions have already been sold or are being retained by Dan for the new herd he is building.
- ★ All cattle sell under the Standard Guarantee endorsed by the American Shorthorn Association.
- ★ These footnotes were written in November. Some may have to be altered as to breeding dates. Announcements from the block will take precedence over the material in this catalog.
- ★ Our cows are checked regularly by Dr. E. A. Woelffer, of Wisconsin, when in the vicinity to do work for the beef and dairy herds at Boys Town, Roberts Dairy, Eiperhurst, Thurmond Angus, etc. He will pregnancy check all doubtful cows on February 1st.
- ★ These cows will sell off-the-stalks condition.
- ★ The females in this sale have been cataloged by families.
- ★ No bulls will sell, except young calves at the side of their dams. We will be consigning bulls to the Omaha Shorthorn Sale on February 17th and to other sales in the area throughout the year as has been our practice.

Mr. and Mrs. Dan McCubbin with former Nebraska Lassie Queen Barbara Mueller are shown with DM Napoleon's Bomber, champion bull at the 1965 Nebraska Futurity Sale, Columbus. He sold to Broken Arrow Farms, Elgin, Nebr.

The entire breed will be pleased to learn that Dan McCubbin will continue in the Shorthorn business. Dan has been one of the breed's most ardent showmen and boosters. No one works harder at quality Shorthorn production and no one brings out show consignments in better condition.

Dan is retaining approximately 15 daughters of S & T Pace-maker 12th, certainly one of the most successful breeding bulls in current use. Many of these daughters are 1966 calves but a few are yearlings and some are first-calf heifers that are not looking their best. He is also retaining seven cows, 10 to 14 years old, that for one reason or another are not in saleable condition.

While the "cream" of the McCubbin herd sells in this sale, we predict, that with Dan's continued interest, the McCubbin name will continue to be in the list of premier exhibitors at shows and sales.

Dan McCubbin and Darlow Mencke pose with McCubbins' champion female and bull at the 1963 Nebraska Futurity.

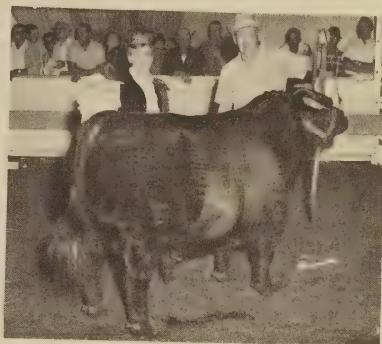

This duo was the championship pair for McCubbins at the 1965 Nebraska Futurity.

McCubbin Shorthorns Win:

Mac and Dan McCubbin first started their Shorthorns at the Nebraska Futurity in 1955. Since that time . . . 11 years . . . they have had eight champion and four reserve champion bulls, 2 champion and three reserve champion females, six champion pairs and were named premier Shorthorn exhibitor seven times.

The McCubbins started showing at the Nebraska State Fair in 1958. In the last five years they have won 37 firsts, 14 bull championships and reserve championships and 6 female championships and reserve championships (not counting Nebraska specials).

This combined Futurity-State Fair record is a testimonial to the quality of the McCubbin productions and the kind of job buyers can expect from the females offered in this sale.

Glen Struve, Manning, Iowa, poses DM Napoleon's Dynamic, reserve grand champion at the 1966 Iowa State Fair and senior champion at the 1966 Nebraska State Fair.

Jeanne Aegerter, Seward, Nebr., with DM Nonpareil, purple winning summer yearling at the 1966 Ak-Sar-Ben Stock Show and champion at the Seward County Fair. She is a daughter of Upward Bound 4th.

The following Thiede-bred cows were selected as calves in the 1963 Otto Thiede & Sons' sale at Gregory, S.D.

The Rubley-bred cows were selected at private treaty from George Rubley at Canton, S.D., where we had the pick of the 1963 calf crop.

These young cows will sell in just ordinary rig and would not be for sale if we were not pressed for money. We will write the very minimum for footnotes but you can buy them with extreme confidence. They do produce well.

STANDARD GUARANTEE

1. A - Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B - All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C - With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.

D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E - In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.

F - All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G - Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

H - All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

2. SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BESURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

3. INSURANCE: Coverage may be secured at the time of sale.
